### INTRODUCTION

**The aim of the Board of trustees for Salem Cemetery is to continue to make the cemetery an attractive and pleasant place to visit and a sacred place for the deceased. That is why we have established the By-laws covering what can or cannot be done on the cemetery grounds. If we allowed shrubs to become overgrown and unlimited decorations to be placed on graves, making it difficult, if not impossible, for the groundskeeper to keep the cemetery neat and tidy, we would be showing great disrespect to those resting here. Salem Cemetery has a reputation for being well and carefully maintained. With your help, we will be able to keep it so.**
